Company Profile and Product Information

The Air of Trust

Active & Newest Technology

Organization Profile

ANEST IWATA MOTHERSON

- * Established in December 2000
- * We are a JV between Anest Iwata Corporation, Japan & Samvardhana Motherson Group of India
- * Two world class manufacturing facilities spread over 3,25,000 square feet area in Noida, near Delhi
- * More than 200 qualified, trained and dedicated professionals driving the organization
- * We are a global hub for manufacturing lubricated and oil free reciprocating air compressors
- * More than 70% of our total production in India is being exported globally
- * Our manufacturing plants in India are 100% integrated with in house facilities for all processes
- * Manufacturing and testing facilities are imported from Japan to ensure global quality
- * We are the only air compressor manufacturing company in India exporting to Japan and USA
- * Production lines for domestic and global supplies are same
- * All design and technical knowhow is from Anest Iwata, Japan and all technical heads are Japanese members located full time in India
- * We have a very strong pan India network of our branches and more than 70 dealers for sales and after sales support
- * Main Products include lubricated and 100% oil free reciprocating air compressors, 100% oil free scroll air compressors, high pressure air compressors, vacuum pumps, oil injected rotary screw compressors, oil free claw compressors, lubricated and oil free booster compressors, railway application compressors, oil free wobble compressors, air receivers, air dryers and downstream filtration equipments.

ANEST IWATA CORPORATION

- * Year of establishment: 1926
- * Line of Business: Air Compressors and Paint coating equipments & systems
- * Started manufacturing reciprocating air compressors in 1928
- * Listed in Tokyo Stock Exchange in 1961
- * Launched world's first oil free scroll air compressors in 1991
- * Only manufacturer in the world to develop 100% oil free compressors with composite resin piston (patented seize free technology)
- * Having global footprints with manufacturing and sales operations in more than 22 countries
- * Globally known and admired for producing most innovative technologies in field of air compressors
- * Trustworthy, sincere, social and environment friendly organization
- * Main products include air compressors, paint coating equipments, vacuum pumps, booster compressors, medical gas systems and nitrogen generator

SAMVARDHANA MOTHERSON GROUP

- * Year of Establishment: 1975
- * Today SMG has presence in 33 countries with 230 manufacturing plants
- * Group is driven by more than 100,000 qualified, trained and dedicated professionals
- * Annual turnover in 2016-2017 was recorded 9.10 Billion USD (approx 59,000 crores)
- * Group has more than 24 world class design centers globally to conceptualize and design world class solutions
- * Group is one of the largest suppliers to automobile makers globally for different components
- * Core businesses of SMG include plastic moulding, modules and systems, wiring harnesses, rear view mirrors, HVAC systems, lighting systems, cabins for off-highway vehicles, air compressors, paint coating equipments, waste recycling systems, cutting tools, sintered metal parts, elastomer processing, automotive manufacturing engineering, engineering and design, air conditioning and refrigeration and information technology solutions

Product Profile

ANEST IWATA MOTHERSON, INDIA

Lubricated Reciprocating Air			Compressors	Vacuum Pump	Oil Free Wobble
					
TLS/TLT Series (0.5 HP~15 HP)	BLS/BLT Series (1 HP~30 HP)	HLT/HLB Series (15 HP~20 HP)	Railway RR Series (1000 LPM)	BVL Series (3 HP~5 HP)	Wobble Series (0.5 HP)
Oil Free Scroll	Oil Free Reciprocating Air		Compressors	Air Dryers	Air Receivers
					
SLP Series (1 HP~40 HP)	TFS/TFT Series (1 HP~15 HP)	Dental Series (0.5 HP~8 HP)	BFS/BFT Series (1 HP~30 HP)	Air Dryers (10 CFM~500 CFM)	Air Receivers (20 Liters~3000 Liters)

OIL INJECTED SCREW COMPRESSORS

LR- Inverter Series
(8 HP~50 HP)

LR Series
(8 HP~50 HP)

OIL FREE CLAW COMPRESSORS

FRL Series
(30~50 HP)

FRV Series
(30~50 HP)

Product Profile

ANEST IWATA CORPORATION, JAPAN

Oil Free Claw		Oil Free Canopy	Oil Free Scroll	Oil Free Wobble	Oil Free MEGASY
					
FRL Series (30~50 HP)	FRV Series (30~50 HP)	CFP Series (2HP~15 HP)	SLP/SLF Series (1 HP~40 HP)	Oil Free Wobble (0.5 HP)	MEGASY Air Unit (2 HP~30 HP)
Oil Injected Screw		Booster Compressors	Nitrogen Generator	Vacuum MEGASY	MEGASY Accessories
					
LRV Series (20~90 HP)	LRL Series (20~90 HP)	CFBS / EFBS / CLBS Series (0.5 HP~15 HP)	NP Series (1 HP~20 HP)	MEGASY Vacuum Unit (2 HP~22 HP)	MEGASY Accessories All Types

Vacuum Pump

Oil Free Scroll Vacuum Pump				High Vacuum Pumping System	
					
DVSL Series (100~400 LPM)	GVS Series (200~850 LPM)	ISP Series (50~1000 LPM)	ISP Series (50~1000 LPM)	VTU / VTC Series (4800~18000 LPM)
